Dear Mr Yuille

Apologies for the uncertainties in our approximate measurements of the sites and thank you for raising the query. With the kind assistance of the local authority, we are now able to provide the following more accurate measurements for each designated site for Local Green Space. These measurements have been based on Cheshire West and Chester Council's Geographical Information System.

- Site 1 - 30 Ha
- Site 2 – 6.2 Ha
- Site 3 – 19.9 Ha

Should have require any further information, please do not hesitate to contact us.

Yours sincerely
