

Chairs Report – May 2021

2020/21 has been a challenging year for Davenham Parish Council due to the Covid 19 global pandemic. We have had to meet virtually via Skype all year which has been challenging. Despite this we have been able to make significant progress on improving the facilities within our village.

We carried out further significant improvements at Butchers Stile including car parking and a perimeter path. The path at Laburnum has been resurfaced and wildflower meadows planted.

The Christmas tree and lights were fantastic this year. We live streamed the light switch on and the Remembrance Day parade.

Plans are underway to upgrade the village garden and incorporate a Mosaic. Further improvements are also planned at Butchers Stile to include a cycle/skate board track, playground and nature reserve.

Many thanks to the vice chair – Ian and the excellent clerk – Elaine as well as my fellow councillors for their hard work

Andrew Hudson
