### **HS2 Update Crewe to Manchester Phase 2b 13/6/2022**

Response from HS2 Engagement team

“We have sent you this email because you responded to the public consultation about the proposals for the High Speed Rail (Crewe-Manchester) hybrid Bill which was introduced to Parliament on 24 January 2022.

Public consultations on two reports that were published with the Bill – the Environmental Statement (ES) and the Equality Impact Assessment (EQIA) – closed on 31 March. Responses received to the consultation on the ES were analysed by an Independent Assessor appointed by Parliament. A report summarising the issues raised in the responses has been published by Parliament and is available via the Government website at

<https://www.gov.uk/government/consultations/hs2-phase-2b-crewe-manchester-environmental-statement-consultation>.

Responses to the consultation on the EQIA are being analysed by a response analysis company and a report will be published in due course.

We're also preparing several changes to the proposals in the Bill, which the Government intends to introduce into Parliament this Summer as an Additional Provision. You can find more information about these changes and upcoming events by reading the attached leaflet”

Kind regards,

On behalf of HS2 Ltd
